

Your long-term reliable partner

*Customized Solutions*TM

EXmek Electric

Our Program(1)

- **DC Brush Motor (frame size 40mm through 120mm)**
- **DC Brushless Motors (frame size 44mm through 120mm)**
- **Stepping Motor (20, 28, 35, 42, 57, 86, 110mm)**
- **AC Univesal Motor (46mm, 54mm, 60mm)**
- **Industrial AC Capacitor Motor (80mm, 90mm less than500w)**
- **Different kinds of Gear motor for OEM application**

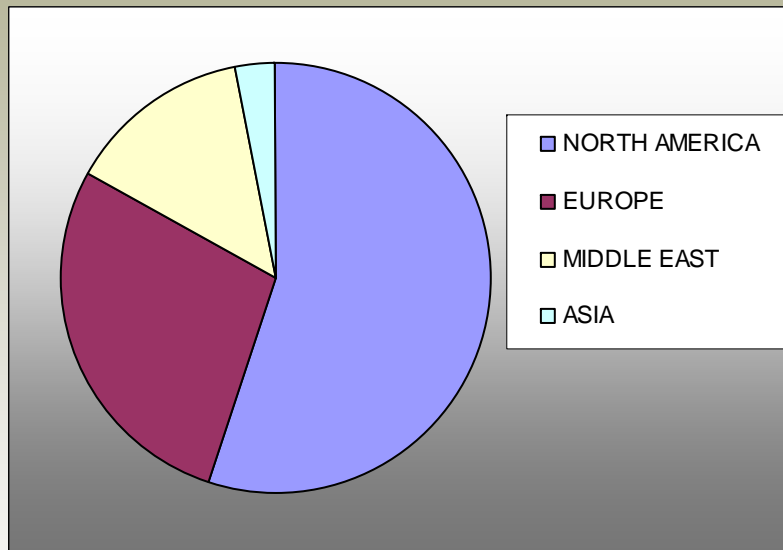

Our Program(2)

Main Industry:

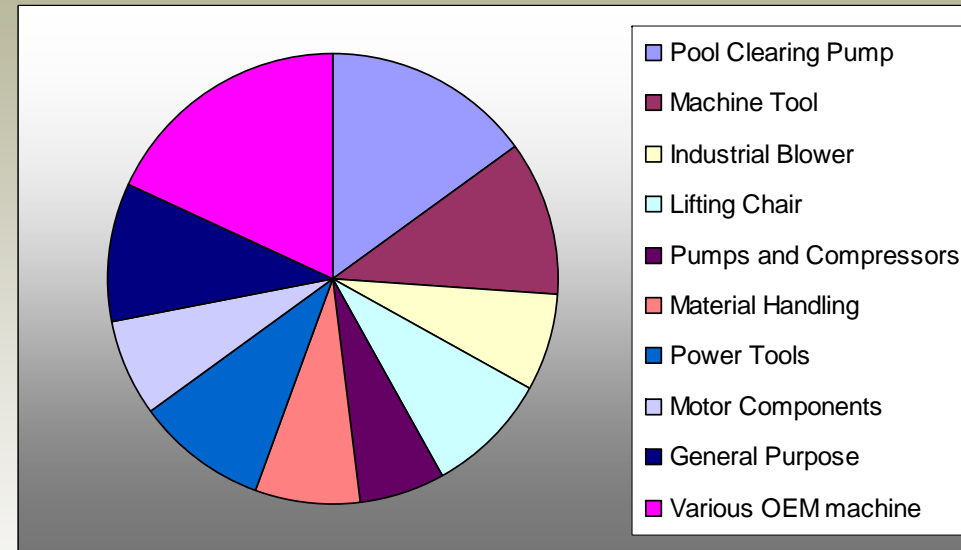

- Pool cleaning Pumps
- Sport Treadmill
- Door operating drives
- Medical equipment
- Industrial Blower
- Pumps and compressors
- Semiconductor Processsing
- Pick and Place machines
- Material Handling
- Floor care Equipment
- Medical Beds
- Machine Tool
- Packaging Equipment
- Printing Equipment
- Advertising Equipment
- Light Industry
- Electric Wheelchairs
- Lifting Chairs
- Office Business Equipment
- General Purpose Application

Our Program(3)

Customer

Market Segment

OEM applications 1 – Brushed motor

DC Brush Motor for Pool Cleaning Robot
*special bronze front flange, special shaft coating

DC Brush Motor for Power tool
*Sub-assembly of the motor with special cabling

DC Brush Motor for industrial machine
*with special front flange

OEM applications 2 – Brushless motor

DC Brushless Motor for Cleaning robots
*special shaft and front flange

DC Brushless Motor for Medical Fan
*special shaft and lead-wire cable

DC Brushless Motor for Machine Tool
*Special Connector

OEM applications 3 – Step motor

Stepper motor for Electric Appliance
*Motor assembly with the brake

NEMA 23 Stepper motor for Actuator
*special hollow shaft

Stepper Motor for industrial machine
*with Gearbox

OEM applications 4 – Gear motor

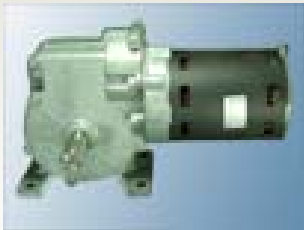

DC Gear Motor for Commercial Robot

*with stainless steel shaft & extreme quiet gearbox

DC Gear Motor for Advertising Equipment

*with planetary gearbox

AC Worm Gear Motor for Treadmill

*special gearbox and flange

OEM applications 5 – AC motor

AC External Rotation Motor for Mixer

*with stainless steel extended shaft

AC Capacitor Running Motor for Industrial Fan

*with TENV housing, Class F, UL certified.

AC Universal Motor for Sharpening Machine

*with plastic housing

OEM applications 6 – Various Customization

Brush Motor for Advertising Equipment

*with special lead-wire cable

Actuator for Satellite receiver

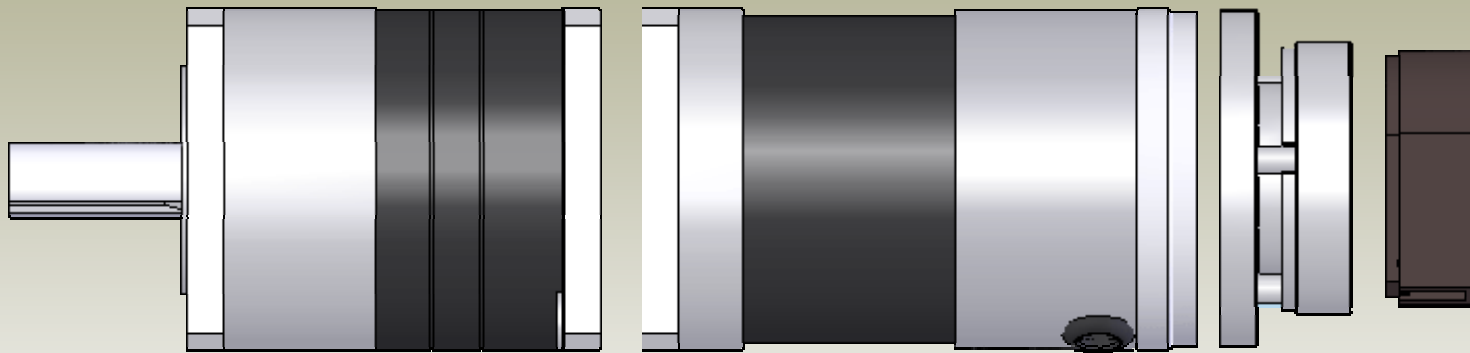

*Assembly of brush motor with the gearbox

DC Universal Fan Motor for Recreational

*with double plastic fan assembled together

OEM applications 7 – Value-added product

Gearbox

Motor

Brake Encoder

OEM applications ---many more....
